The authors regret that the original version of this paper unfortunately contained an inappropriate representative image of Boyden chamber assay. An inappropriate image was inadvertently used for the HSC-LX2 Ligu+GW9662 (Figure 4F) during the assembly of this figure. The authors confirm that the correction of Figure 4F does not affect the original conclusions. The authors sincerely apologize for any inconvenience or misunderstanding that the error may have caused. The corrected image is shown below.
